UNITED STATES DISTRICT COURT

Re: Earle E. Ausherman, et al. v. Bank of America Corporation, et al.  
Civil Action Number MJG 01-00438

Dear Judge Garbis:

We write in response to a call from the Court on Wednesday, June 16, 2004.

Our firm was originally approached by plaintiffs' counsel, Rodney R. Sweetland, III, about participating in the above-referenced case in an effort to seek class action treatment of the matter. To that end, a motion for leave to add class action allegations was filed in or around June 2002. As the Court is aware, that motion was denied. Therefore, any role we were to have as counsel in this matter ended. It was our understanding that Mr. Sweetland was to and did advise the Court that we no longer were involved in this case.

On Wednesday we received a call from your Court inquiring about a transcript in the matter. Through this conversation we learned that Mr. Sweetland never formally withdrew us from the case. The Court suggested we send this letter to formally document our withdrawal.

If you need any further information from us regarding this matter, please do not hesitate to contact us. Otherwise, we trust that our involvement in this matter has officially ended and all future matters will be handled by Mr. Sweetland.

Sincerely,

**Murray & Murray Co., L.P.A.**
